**Notes:**
1. Conversion factor: 1 inch = 25.4 mm, 1 foot = 304.8 mm.
2. All dimensions are in inches.
3. Edges shall be free from burrs and other defects.
4. All parts, except bushing, shall be clearly marked with manufacturer's name or trade mark and date.
5. When referring to bushing parts, drawing number and letter must be stated to indicate specific part required.

**Material:**
- Fibre material to conform with latest AIR/SAE specification.
- All parts are for rods.
